Memories like the corners of my mind,
Misty waters colored memories of
The way we were.
Scattered pictures of the smile we
left behind,
Smiles we gave to one another of
The way we were.
Can it be that it was all so simple then,
Or has time rewritten every line.
If we had the chance to do it all again
tell me, would we, could we.
Memories may be beautiful and yet,
What's too painful to remember we simply
choose to forget.
So it's the laughter we will remember
Whenever we remember—
The Way We Were

Queens for a day

The theme of this year's Homecoming was "Superstars". Our Student Chairman, Bobette Hankins, and faculty chairman, Mrs. Hill, stressed the idea of school unity and defeating East. Royalty was Queen Gena Peters and King Ron Simms. Our Princesses were Lori Burt, Karen Duvall, Sheri Gordon, and Kathy Haggen. Our Princes were Charlie Brennan, Dave Burt, Pat Gailey, and Kent Kingman.

The activities during the week of homecoming were to bring about school spirit. Various dress-up days were aimed to spite East. A few of the ideas were to come in your p.j.'s to show how bored we are with East or to come dressed as the "victim" and how they would look after the game.

Other activities were held during the evenings throughout the week. On Tuesday, the senior and junior girls battled in the traditional Powder Puff game. The seniors were the victors of this year. The annual Open House was held on Wednesday with a special emphasis on Graduates from 1937 and earlier. This night was also a special tribute to Miss Ellis for 50 years of teaching here.

Before the game, the band, drill team, cheerleaders, and representatives from each class participated in the pre-game parade around the track. During the half-time, These same people plus students who represented all 4 of the high schools participated in the traditional half time presentation. North Kitsap is the only school in the area that does attempt to involve all students in a half-time show.

Judy-
Been signing on the senior page because I am so serious! But seriously, you're a neat person - but weird. And, now that since you are only a sophomore now, maybe will have some classes together. I'll sign my picture but I want it to be enough to have it must be in ha'ha' style. Next time you'll get a swimsuit & a towel and don't forget a swim-cap! Since you're getting so important, I'll stop now. After all these years I'll see you around the summer! Remember - it's "82" not "81".

The top of the world?!

SPECIAL PEOPLE

I have been the AFS student at N.K. for the year 1977-78. I came from Adelaide, Australia, which I still claim is on top of the world. It is a city of approximately one million people and a comparable climate to San Diego. There we don't walk on our heads or ride kangaroos.

My stay here has changed me tremendously and without a doubt, for the better. On paper it is hard to express how grateful I am, but limitations aside . . . thank you. I am deeply indebted.

Someday I'll make like a bommerang, and then I shall return.

Thanks again,
Ken

WHILE WE WERE SENIORS:

The football team beat East and had its best season since 1967

The Girls basketball team took the Olympic League title with the league's first unbeaten season.

The Boys Basketball team took the Olympic League title.

The Wrestling team had its best record in North history.

The senior girls won the powderpuff game and remained undefeated.

SOAP (Save Our Activities Programs) Raised over $24,000 to help fund our school activities.

The band won 1st place in the Kingbowl competition, and was chosen to represent Washington state at Chico, Calif. We had our first school-related rock concert.

Chicago's lead singer, Terry Kath, and the King of Rock and Roll, Elvis Presley both died.

Comedians Groucho Marx, and Charlie Chaplin took their last bow.

Bing Crosby, famous singer, died this year.

Judy, thanks for all the help this year. You look as if you're concerned about other people as well as yourself. Take care and we'll catch ya later!

Love
Dan

FROM THE DESK OF . . . . . .

George Pugh, Principal

Becoming a Viking this year has made me feel special in many ways.

I have observed new challenges and new rewards. There have been obstacles, but none to the extent that the student body, faculty, and administration could not present in free discussion and solve by responsible decision.

I have observed a growing participation in student affairs. This increase is the product of student leaders and the efforts in the areas of activities and athletics.

I have observed an increased awareness of what it means to be a Viking — pride in school and pride in self.

The people here at North have made the difference.

Best wishes and good fortune to the class of 1978.

I hope that the memories contained in this yearbook are pleasant and lasting ones. That has been one of our goals at North Kitsap High School this year.

For Seniors who will no longer be with us, it has been a pleasure to have known and worked with you. I wish you the very best for the future.

To the underclassmen, I challenge you to look to the future and help us make North Kitsap High School an even better place to attend school.

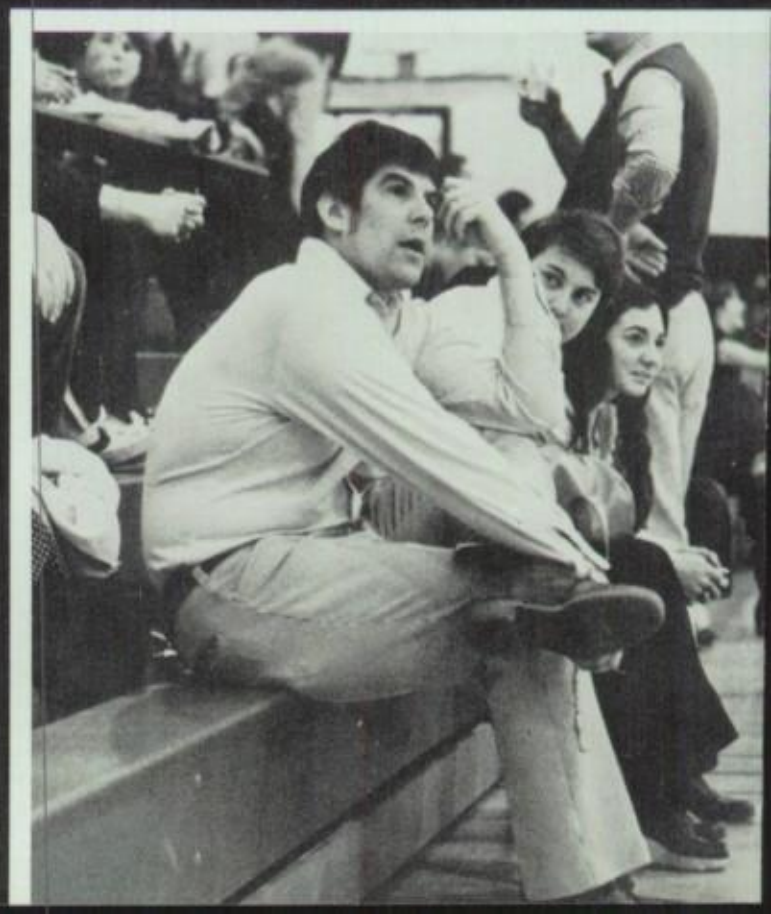
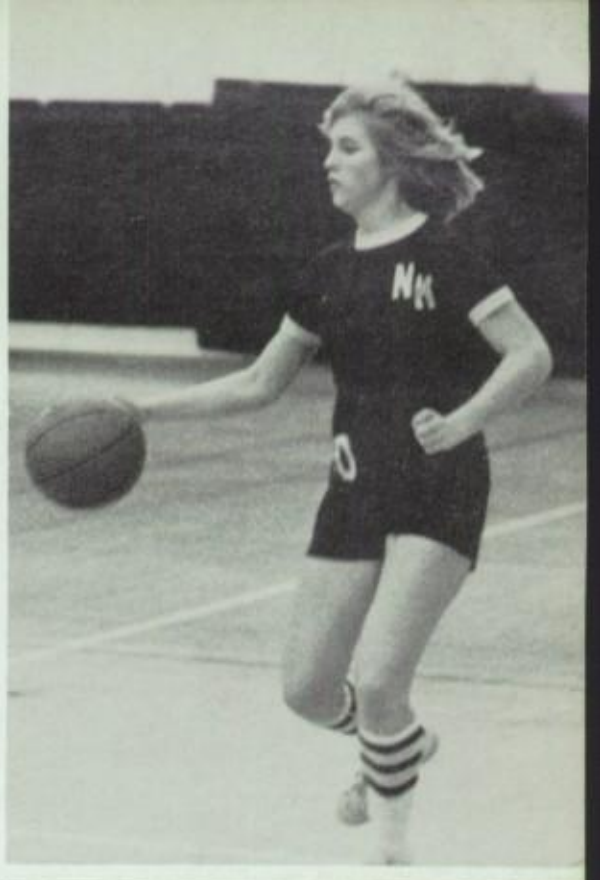
"It's amazing how much can be accomplished if no one cares who gets the credit".





At the beginning of the basketball season, one of our team goals was to win the Olympic League Title, in order to get into the State Tournament.

Injuries plagued our team at the start. Before we finished our six Non-League Games we had four girls with sprained ankles and one with a knee injury. "Tape was our middle name."

The first league games found us with only one girl still recovering. The team depth provided us with a tremendous beginning that resulted in a 14 - 0 League record, a record that will never even be tied.

For the second time in North wrestling history the team finished with a winning season. Win-loss was 12-8 including tournaments. There were opportunities missed during the season, but with the most outstanding effort ever displayed Vikings took third in district tournaments.

Betsy, Dorothy, and the whole gang

And you thought Kent Kingman had big feet.

This year, swimming classes became a part of our curriculum. Betsy Romine and Dorothy Waksh taught a swimming class for high school students during second period. The students were offered instruction in Basic Rescue and Water Safety, and Basic Water Safety. The course also included instruction in basic swimming skills, water games, and water safety skills. Our thanks to the whole pool staff.

In Memory Of

Randy Farr and Jackie Billmark
we dedicate the 77-78 Viking

"There a million words that could be used to describe someone, and yet the meaning would be empty. The pictures of one who is gone never dies in our minds. Pains will still linger, time will help heal our wounds, but scars remain. Let the memory bloom, and once again our friend will live."

For the third year in a row, North advanced to the State AA tournament and again finished among the top twelve of 65 AA teams. The Viks were led by the scoring and all-around play of Kent Kingman, the outside shooting of Mike Albrecht and Leonard Forsman, the rebounding of Jim Callow, the defensive play of Brad Moshner and Kevin Waggoner, and the overall determined contribution of those who backed up and daily battled the above players in competitive scrimmages. Season highlights were the double overtime victory over West 68-62, the triple overtime win over Central 61-60, and the 33 point 4th quarter comeback against South. Special recognition should go to Captain Kent Kingman who set a number of school scoring records, most notably a 44 point output against Tyee in District play, and who was named to the 1st five of the Sportswriters all state team.

For the first time, the girls' basketball team went undefeated in league play, captured the league title, and by doing so, won themselves a berth in regional play. In the first game of the Regional Tournament, the Vikings showed their strength of defeating the heavily favored Lincoln of Seattle team with a score of 38-32. This win insured our girls a berth in the state tournament and ultimately rematched them against Franklin Pierce. In this final game, North beat the odds and defeated the tough Franklin team 49-43 for 4th PLACE IN STATE.
